# Kippa-Ring State School P&C Assoc.

---

Dear Parents / Carers,

The P&C Association asks you to indicate your interest in relation to **Fundraising** opportunities offered each year. The **goal of fundraising** is to support the **learning, health and welfare, arts, sporting equipment and positive behaviour initiatives of the whole school community.**

Your support ensures that **your child** has access to an increasing range of equipment and supplies.

There are **two types** of fundraising opportunities for your family to be involved in during your child's enrolment at Kippa-Ring State School:

## **1. School Based Fundraising Opportunities — Some examples could be:**

Discos	BBQ on sports days	Fun Run
Fancy Dress Parade	School Concert Night	Kippa Art Show
Mother's Day Stall	Father's Day Stall	Raffles
Ekka Show Bag		

With school based fundraising opportunities, you choose the level of participation and support that you wish to provide.

## **2. "Take Home" Fundraising Opportunities — Some examples could be:**

Chocolate Drive	Pie Drive	Sponsorship (eg Fun Run)
Spelling Bee Sponsorship	Raffle Tickets to sell at various times of the year	
Other items as may be decided at P&C meetings		

Your opportunity to participate in these 'take home' fundraisers needs to be predetermined so that the P&C can best meet your family's needs.

If you **DO NOT** wish to participate in the **'take home' fundraising opportunities**, please return the cut off slip below to the office. Your name will then be noted on a **P&C Register** as requesting **NOT to have these items sent home.**

We will continue to appreciate your support through the other School Based opportunities you may choose to access at other points in time throughout the year.

We **thank you** for all the support received throughout the past few years and look forward to continuing to **raise much needed funds** for our children together throughout the years to come.

*P&C President*
